

WATER TRAILER

550 gallon Arena

**Images shown may include optional features.
Actual product appearance may vary based on
selected configurations.*

Perfect for equestrian arenas, barns, and fairgrounds, this 550-gallon water trailer helps you manage dust, clean stalls, and water landscaping with ease. Its compact, off-road design features a rugged 6" channel frame, single torsion axle, and adjustable clevis hitch for simple towing. A Honda engine powers the 2" pump for fast flow. Ideal for moisture control, sanitation, or grounds maintenance (no brakes or registration required).

FEATURES

- 4 hp Honda engine
- 2" Water pump
- Galvanized fittings
- Adjustable clevis hitch
- Suction hose with screen

BENEFITS

- Smooth towing with torsion axles
- Easy field operation with Honda power
- Quick fill-ups from ponds or tanks
- Multiple spray options for flexibility
- Built tough for long-term use
