

# TIDE RISERS

One Clarion supplies a wide range of accessories for oil spill cleanup and containment; we make our boom and floating baffles and [barriers](#) (click to learn more) easier to use and store. Ready-to-use or custom-designed, One Clarion stands ready to help you save time, money, and environmental impact.

**BULKHEAD RISERS** allow [containment boom](#) (click to learn more) to ride varying water levels, rising and lowering along the length of a vertical, 4"x4" flange-beam. Risers are shipped from the plant assembled, ready to connect to any size boom and can be equipped with an ASTM Quick Latch/Slide Coupler.

**FOUR-WHEEL TIDE  
RISER**

**EIGHT-WHEEL TIDE  
RISER**

BUOYS are placed between the anchor line and the boom to help the boom maintain its correct position in the water. One Clarion can supply you with virtually any kind of buoy you need.
