

Ultra-Overpack Plus® 30 Gallon

Screw top Ultra-Overpacks offer the highest UN and DOT certifications available

- + Polypropylene construction provides excellent chemical resistance, including acids, caustics, and corrosives.
- + Easy-to-close screw top lid
- + Convenient, “no-tools required” closures are perfect for clean-up and spill response applications.
- + Nestable design and low tare weight allow convenient storage and reduced transportation costs.
- + Built-in slots in lid and body provide added security – use with zip ties for tamper resistance and vandalism prevention.
- + The perfect container for spill kits - heavy-duty and rugged yet easy to transport to the spill site.
- + Lids can be tightened using built-in broom handle or wooden beam (2x4) slots.
- + Molded-in foothold provides additional leverage point - makes tightening and loosening lid quick and easy.
